SAN JOSE STATE COLLEGE

Vol. 42 SAN JOSE, CALIF., TUESDAY, MARCH 2, 1954 No. 97

### Grads Will Be Commissioned Announces ROTC Dept. Head

"All 1954 graduates will be commissioned," Col. John E. Rogers, head of the department of military science and tactics, announced yesterday.

Controversy over an alleged report that as much as 50 per cent of the ROTC students graduating in June would be inducted into the Army as privates, arose over the weekend as a result of an article to that effect in a local newspaper.

### Choir Concert Wins Applause

Hearty applause opened and closed the first evening of the A Cappella choir concert last night in the Concert Hall of the Music Building.

Under the direction of William Erlendson, a 71-member choir vocally entertained a capacity crowd for nearly two hours.

"I Will Not Let Thee Go" by Johann Christoph Bach opened the program. It was followed by "Christus Factus Est" by Anerio. Rita Marchoke soloed in a clear soprano voice to "Lost In The Night," by Christiansen. In the "Nicens Creed" Richard Magary stepped in front of the group to sing the story of Christ's life and death.

The second part of the program opened with "Wherefore Is The Light Bestowed" by Brahms. For this number the choir was divided into a six-part chorus.

Part three featured "Reincarnation," modern music by Samuel Barber. Last number on the program was "An Apostrophe Of The Heavenly Hosts" by Willan.

### AEC Meeting This Afternoon

The second meeting of the Activities Evaluation committee has been re-scheduled for this afternoon. The meeting planned for last week was cancelled when only about half of the seven-member group was able to attend.

Bill Eckert, chairman of the committee which was recently established to conduct a long-range study of existing campus activities, reported last week that work has been progressing on an activities check list which will be sent to every recognized organization.

### Total Enrollment at San Jose State Lists 42% from Santa Clara County

(This is the first of a series of articles on the enrollment of the San Jose State College—Editor's Note.)

Approximately 68 per cent of all students enrolled at San Jose State during the winter quarter are residents of Santa Clara and five nearby counties, according to statistics compiled by the Registrar's office.

The geographical breakdown of enrollment of the college is of significance to local persons because of proposals by some California educators that enrollment of the state colleges be limited by restricting college admissions on a basis of county of legal residence.

A total of 2819 or 42 per cent of San Jose State's total enrollment of 6708 are residents of Santa Clara County, the study shows.

Comparison of the 1954 winter quarter enrollment with a similar survey made by the Council of State College Presidents based on 1951-52 enrollment shows that San Jose State's home enrollment is growing.

In 1951-52 only 36 per cent of San Jose State students were residents of Santa Clara county as compared with 42 per cent this quarter. Residents of the six county Santa Clara, San Mateo, San Francisco, Alameda, Contra Costa, and Santa Cruz area comprised 62 per cent of the total SJSJC enrollment in 1951-52 and at present make up 68 per cent of the total.

Although two-thirds of the student's homes are concentrated in six surrounding counties, all but three of California's 58 counties and 33 states are represented by students. Alpine, Sierra and Trinity counties send no students to San Jose.

Largest enrollments from outside the six county area include Los Angeles County's 303 students; Kern County, 92; Sacramento, 64; San Joaquin County, 99; Fresno County, 64; and Merced County, 66.

Oregon, Washington and Nevada send more students to San Jose State than any other states with 35, 25, and 19 respectively, enrolled. Illinois and New York follow with 13 and 10 in that order.

### Solved!!-- Case of the Lost Plaque

The case of the missing Frosh-Soph Mixer Plaque came up again in yesterday's meeting of the Frosh Council, when President Bob Weiss was called upon to make a "surprise announcement." Weiss then brought forth the long lost, authentic Frosh-Soph Mixer Plaque.

#### SENIOR CLASS

A discussion on the desirability of having the proposed Campus Day in place of Beach Day during senior activities week was held at the council meeting yesterday.

Parents would be invited to participate in Campus day, consisting of panel discussions and a faculty reception, according to Bill Hushaw, class president. The date has been tentatively set for Wednesday, June 16.

#### JUNIOR CLASS

Bids for the Junior Prom, costing \$2.25, are to go on sale March 29, registration day for the summer quarter, it was learned at yesterday's meeting of the Junior class council.

The dance, which is to be held April 2 in the St. Claire hotel, is to be semi-formal, according to Paul Sakamoto, president.

#### SOPHOMORE CLASS

Connie Condit was elected soph class treasurer yesterday by the class council, narrowly edging Alleen Sherry and Joyce De Benedetti, according to Don Fletcher, soph president.

Fletcher announced that bids for the Soph Hop, March 5 at the Castlewood Country club were to have gone on sale this morning in the Outer Quad. Price of the bids is \$2.

### JC Administrators Meet Here Today

Administrators of 15 California junior colleges are visiting San Jose State today for the second annual invitation day program, conducted by the college.

Planned by the college as a means of discussing mutual problems arising from the transfer of students from the junior colleges to San Jose State, the program takes the form of informal discussions of problems suggested by the visitors, according to Dean of Students Joe H. West.

The meetings were scheduled to start at 10 o'clock this morning with Executive Dean James DeVoss in charge of the discussion groups.

Lunch for the visitors and members of the college administrative staff will be served at noon at the tea room after which the discussions will be resumed, Dean West said.

A similar program will be held for area high school principals on Thursday.

Those attending today's session include Dr. Ralph Prator, president of Bakersfield College; Ward H. Austin, principal of Marin College; John H. Porterfield, director of Contra Costa JC; J. J. Collins, president of Yuba County District JC; Calvin C. Flint, president of Monterey Peninsula College.

John B. Lemos, president of Hartnell College; Dr. Louis G. Conlan, president of City College of San Francisco; Frank G. Holt, principal of San Luis Obispo JC; Dr. Elon E. Hildreth, president of San Mateo District JC; Dr. Burke Bradley, vice president of Stockton College; Harry D. Wiser, president of Vallejo JC.

Dr. Ivan C. Crookshanks, superintendent of College of Sequoia; Richard H. Berg, director of Menlo JC; Dr. Henry T. Tyler, president of Modesto JC; and Charles E. Franseen, director of San Jose JC.

### Legislature Given SJS Budget; Approval Likely

Three major SJS building projects were included in Governor Goodwin Knight's budget when he presented it to the State Legislature yesterday, according to E. S. Thompson, business manager.

Included in the budget were \$1,283,700 for a classroom building, \$746,000 for a library completion, and \$59,000 for a new boiler. Funds for equipping the classroom building totaling \$97,225 were also in the budget.

"We are very optimistic about the money, since it is in the Governor's budget," Thompson commented. "Money for these buildings have been at the top of the list for a long time," he said.

The building budget will now have to go through the same process as the operating budget, according to Thompson. This means that it will first go to the Assembly Ways and Means Subcommittee for approval and then it will be passed on to the Senate Finance sub-committee for their consideration.

Several small items also were mentioned in the budget, the most important of which is \$18,000 for resurfacing the college parking lots.

Thompson pointed out that there was no organized opposition to the SJS building budget that would peril its passage. "The only trouble might come from conservative legislators who feel that SJS is getting too large a portion of the budget money," he said.

### Watson Competes With Other Dolls

Virginia Watson will compete with co-eds from three other colleges March 5 as SJS Soph Doll at the Castlewood Country club where a "Soph Doll" will be named from among the four contestants.

Miss Watson was named SJS "Soph Doll" during judging Sunday at the Alpha Phi house. She was sponsored by Phi Sigma Kappa.

Judges for the contest were Mrs. John Wahlquist, Dean and Mrs. Stanley Benz, Esther Walker, fashion editor of the San Jose News, and Assistant Fire Prevention Administrator Vern Coles.

Sue Ann Zimmerman of Kappa Kappa Gamma was selected runner-up in the contest.

### March Graduation Speaker Will Be San Jose Professor

One hundred and twenty-six degrees will be conferred by San Jose State College at the winter quarter commencement exercises to be held at 3:30 p.m. Friday, March 12. The program, to be held in Morris Dailey auditorium, will be preceded by an academic procession from the Little Theater to the auditorium.

Of the 126 degrees to be conferred 5 will be Masters of Art, 2 will be Bachelors of Education, 5 will be Bachelors of Science, and 114 will be Bachelors of Art. Twenty-six of those receiving A.B. degrees will also receive public school administrative credentials.

One B.S. degree will be awarded posthumously to Raymond L. Goodwin, who drowned at Santa Cruz a few weeks ago.

Commencement speaker will be Dr. Elmer E. Staffelbach, professor of education, who has recently returned from sabbatical leave, part of which was spent in Europe.

### Dr. Wahlquist Gives Report

President John T. Wahlquist reviewed the latest developments on enrollment ceilings and the governor's budget yesterday afternoon before approximately half of the faculty in Morris Dailey auditorium, according to Lowell C. Pratt, public relations director.

Dr. Wahlquist asked that suggestions on admission standards be presented by members of the faculty through the faculty council, Pratt said.

A report of the happenings at last week's council of State College Presidents at Fresno was also given by Dr. Wahlquist. He reported that the council was pushing the establishment of Master of Arts degrees in occupational subjects. MA's in educational fields are all that state colleges now are authorized to award.

### Congressmen Shot On House Floor

(By United Press)  
WASHINGTON, March 1—Five congressmen were wounded today in a wild burst of bullets fired from the House of Representatives spectators gallery by three members of "the same Puerto Rican gang" that attempted to assassinate former President Truman in 1950.

The three pistol-shooting assailants—one a woman—were seized and disarmed after spraying 12 to 15 bullets among the estimated 200 congressmen in the House chamber. Seven suspected confederates also were picked up as they apparently tried to skip town by train and bus.

Two of the congressmen—Reps. Alvin M. Bentley (R-Mich.) and Ben F. Jensen (R-Ia.)—were reported in serious condition. Bentley was shot in the back, Jensen in the chest.

The other wounded: Rep. Clifford Davis (D-Tenn.), wounded in the right leg. Rep. George H. Fallon (D-Md.), shot in the hip. Rep. Kenneth A. Roberts (D-Ala.), shot in the leg.

## Let's Observe Texas Independence

Today, which is like any other day to the average Spartan, is Texas Independence day. Kappa Alpha probably will be running its confederate flag at half-mast, history instructors will casually mention the date in their classes, but other students across the campus will live today without giving Texas Independence day a solitary thought.

The Spartan Daily is coming out four-square in favor of Texas Independence day. A standing war has been waged with the exaggerating Texan ever since Independence day. We're for making peace. We're also for observing Texas Independence day along with every other red-blooded Texan.

After all, that revolution has already been fought and forgotten.

## \$1000 Loans Offered MA's

Loans of \$1000 each are being offered for two male graduate students working toward master's degrees, according to Dr. E. W. Clements, chairman of the College Service Funds Committee. A transcript of college record and other information as to marital status, number of dependents, employment and other subsidies held, must also be furnished.

Scholarship applications must be submitted to Dr. Clements before May 1.

## Carmen Dragon, SJS Alumnus, To Direct 'The Standard Hour'

Carmen Dragon, alumnus of San Jose State College, will direct the Standard Hour broadcast March 14 from the San Jose Civic auditorium, according to G. M. McLean, local manager for the Standard Oil Company.

With Dragon on the program will be Vivian Della Chiesa as soprano soloist.

"This is the first time such a broadcast has been presented in San Jose," according to McLean. He added that it was a tribute to the college music department to be able to call Dragon an alumnus.

Tickets to the broadcast are free and will be issued only in answer to mail requests, McLean said. Letters must be accompanied by stamped return envelopes and addressed to Standard Oil Company of California, P.O. Box 730, San Jose, Calif. A maximum of four tickets will be sent, he stated.

While at San Jose State, Dragon played first bass in the college symphony orchestra and trombone in the symphonic band. He also served as Revelries director.

# IT'S ALL A MATTER OF TASTE

No guessing games with cigarettes  
When Luckies are your brand—  
A cleaner, fresher, smoother smoke,  
A taste that's really grand!

Phil W. Elder  
Oklahoma University

When you come right down to it, you smoke for one simple reason . . . enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S. M.F.T.—Lucky Strike means fine tobacco . . . light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better . . . always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

I've often been class president—  
I'm called a real go-getter!  
My brand is always Lucky Strike—  
Why shucks, they just taste better!

**COLLEGE SMOKERS PREFER LUCKIES**

A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

And now I know it's true—  
The better taste of Lucky Strikes

## Keen Competition Seen For Interclass Cups

Races for the individual gold cup honors in the varsity and novice divisions of the interclass track festival Friday afternoon should produce an outstanding highlight of the annual affair, according to Track Coach Bud Winter.

At least six cindermen in the varsity division have been given an outside chance to cop honors while three have been tabbed as possible stars in the novice section.

Owen Rhodes, the Los Angeles sophomore who already holds the meet record for the novice pole vault event at 13 ft. 7 in., will be out to break the varsity mark of the same height set by Bill Priddy last year. He also should gain points in the high jump, although it is improbable that he will break the mark here which is 6 ft. 8½ in., chalked up by the great Herm Wyatt in 1953.

Ed Kreyenhagen, a fast-stepping individual in the sprints and hurdles, is expected to put up a fight for the high-point honors. Kreyenhagen registered a 14.9 mark in the high hurdles at Coalinga JC and is considered a threat in the 75-yard interclass meet.

Jack Albani will be ready in his attempt to top Thelno Knowles' 352-yd. time of 38.1 in his try for track distinction. Albani also will be seen in the 75-yd. affair.

Close competition is in store in the field events. Taylor Burton, transfer from Hartnell JC, and John Slaughter have both given indication that they are capable of breaking Dick Stults' shotput distance of 47 ft. 5 in.

Captain Don Hubbard will lead his team's chances when he runs in the 1320-yd. and 1½ mile distances. The outstanding sophomore two-miler will be gunning to beat times in both events presently held by national steeplechase champ Bob McMullen.

George Raine, holder of the novice 660-yd. mark and Dick Vogel will have to scamper if they want any part of the record set by Lang Stanley, greatest of them all, in 1952.

Don Armstrong, the Manual Arts grad from LA and world high school record holder in the 180-yd. low hurdles, should come close in the race for novice high-point man along with Chuck Hightower, freshman pole vaulter from San Jose High.

## USF Takes Second Place; Williams Named by Writers

San Jose State's eagers ran into too much Frank Evangelho and Bill Russell in the final game of the season last night in Kezar stadium pavilion as they suffered a 76-57 California Basketball Assn. loss at the hands of the second place USF Dons.

The setback snapped the Spar-

Recognition continues to fall on the Spartans' great all-around basketball player, Carroll Williams. Yesterday, the Northern California Basketball Writers and Sportscasters Assn. picked the captain of the SJS quint as one of the five men to be chosen for the All-Northern Calif. Basketball squad.

The selection was made at the regular meeting of the board and included Santa Clara forward Ken Sears, California's play-making whiz Bob Matheny, USF's Russell, and Stanford center Russ Lawler.

Sears and Russell along with Lawler give the mythical five the needed height while Williams and Matheny are both noted for their exceptional floor play and leadership abilities.

Forward Bud Hjelm of San Jose received honorable mention.

tans' CBA string of six straight wins and gave them a 6-6 record

for the season in league competition. Their final season mark is 12 wins and 15 losses.

Russell, 6-ft. 9-in. center and leading CBA scorer, showed why he was picked on the All-Northern Calif. basketball team earlier in the day. Big Bill used his rangy frame and extra lengthy arms to sink 20 points for the winners and block many SJS attempts on the way to the basket.

Evangelho had one of his best nights of the season as he racked up 22 points for high scoring honors.

The USF hilltoppers showed superb strength in controlling the backboards and held the Raiders to a mere 26.3% in their shots made from the floor. The Dons did considerably better with 44.7%.

Carroll Williams, who along with Russell received a tremendous ovation from the small gathering upon leaving the contest, once again led the SJS scoring attack. The scrappy guard poured in 20 points to edge teammate Bud Hjelm who garnered 16.

## Raider Nine To Open Baseball Season with Alameda Thursday

Coach Walt Williams, starting his seventh year as head baseball coach at Sparta, leads his squad against Alameda Naval Air base Thursday at the Municipal stadium.

The season's opener begins a 27-game schedule for the Gold and White horsehiders that will end May 22 with the Fort Ord Warriors.

## Wrestlers Look For Repeat Win Over SFS Gators

The San Jose State wrestling squad will stage its last dual meet of the season tonight in Spartan gym when it faces the San Francisco State Gators. Matches are slated to start at 7:30 o'clock.

In an earlier meet in San Francisco, Coach Hugh Mumby's grapplers downed the Gators, 28-8.

The Spartan line-up is Kay Toyota, 123 lbs.; George Lao, 130 lbs.; Ron Stingley, 137 lbs.; Pete Herder, 147 lbs.; Russ Utley, 157 lbs.; Gus Talbot, 167 lbs.; Dick Francis, 177 lbs.; and Dick Fleege, heavyweight.

There will be four preliminary frosh matches before the regular dual meet.

Probable starting line-up for the initial 1954 contest will include Doug Boehner on the mound; Mel Leal, catcher; Dick Brady, first base; Ron Palma, second base; Jack Richards, shortstop; Lou Gambello, third base; and in the outfield will be Don Visconti, Ron Kauffman and Ron Walters.

John Oldham, Williams' strike-out artist, will pitch against Stanford Saturday in Palo Alto. The tall lefthander registered 166 strike-outs in 26 innings of activity last season. The remainder of the hurling crew includes Reese Dick, a transfer from Napa JC, and Kauffman, who may see mound duty during the course of the year.

Brady, at first, reported late last year but batted a solid .323 at the plate. He is being counted on to supply much of the scoring punch of this year's squad as is Palma and Richards. Both the shortstop and second baseman are not known for their long ball hitting but are very dependable in clutch rolls.

Gambello has been slated to start at third but Bill Pitcher, who lettered on the 1952 team, and Bob Wolfe also are due to see action. In the outfield Williams has lettermen Jim Coalter and Bill Anderson in reserve.

## Spartans, Indians Open Net Season

Coach Hugh Mumby's tennis team will make its initial 1954 appearance in meeting the Stanford netters today at 1 p.m. on the Indians' court.

Leading the SJS squad will be veteran Don Straub. Following him come Jack Capon, Corny Reese, Bob Bell, Bill Mullins and Bob Fena.
